

Find Out How to Affair-Proof your Relationship by Raising the Bar on your Sexual Connection.

Meet the Lesbians Who Can Show your Audience How!

“Depressing, Lukewarm, and Predictable”

That’s how 53% of Americans surveyed describe their sex lives in a recent study conducted by Trojan. They also discovered:

- 62% wish they were having sex more often.
- 71% want a more satisfying sex life
- 75% believe that “sex without an orgasm is like the Fourth of July without fireworks.”

50% of women Surveyed Regularly Fake Orgasms

Half of all women polled would rather fake an orgasm than tell her partner what might feel better. The most important sexual technique is communication. Learn it and you can keep your relationship red hot for a lifetime. Dial up the sexy meter and become each other’s fantasy to affair-proof your marriage today!

Problems in the Bedroom Might also be a health Warning!

Learn how erectile dysfunction and other sexual issues may be indicators of much larger health concerns. The solution to these health crises, easy and natural, may surprise you!

Dr. Joni Frater is a retired dentist and educator who specialized in working with patients to overcome their fears. She is now an author, speaker and radio host. Love Her Right guides married men with:

- Easy to read and apply tips for the best sex ever – for life
- Detailed pictures and love-making techniques that will leave her begging for more
- Translations for understanding the language women speak
- Never before revealed secrets coupled with life changing knowledge that will transform your health and turn you into a Love Warrior!

 *Love Her Right*

“Love Her Right is easily one of the best, all-in-one-place books I have read for men who plan to use their penis for more than just urination.”

Leon Scott Baxter
“America’s Romance Guru”
and author of *A Labor With Love*
and *Out of the Doghouse*.

“Reading this book is like being a fly on the wall in a trance at the back and forth banter between two connected Women. Their real insights and loving souls are nectar from the Gods for Men who deserve insider information about how Women work. If you want to know how a car works, ask a mechanic. If you want to know how Women work, read this book!”

Corey Donaldson
Author of *Don’t You Dare Get Divorced Until You Read This!*

Love Her Right: Welcome to the Movement!

Love Her Right is more than a book. It is about celebrating passion and keeping relationships alive and sexy for a lifetime.

To help do that, we have created the Love Her Right Universe, where you will find everything you need to recreate your new passionate existence. Our new membership site features education and advice from a host of experts on relationships, sex, romance, and sexual health in article, podcast and video formats. This is also the home of our Love Warrior Challenge, and all Love Warriors will also receive special tips on how to make their challenge the sexiest time of their lives!

And where do you shop for a Love Warrior Challenge? At Love Her Right Store of course! Everything you will ever need for romance and seduction, from lingerie to lubes, candles to massage oil, and toys to educational videos are here, with our very special Love Her Right Seal of Approval. All the products we carry are, in our opinion, the best the market has to offer, with no harmful materials or substances. Keeping you happy, healthy and sexy is our number one priority!

Join us in our quest to make this world a more passionate place— one couple at a time!

Sample Questions For Dr. Joni Frater and Esther Lastique

1. Why should men listen to advice from a lesbian couple?
2. What are the seven medical reasons why people should orgasm every 24 hours?
3. Most men complain they're not getting enough sex at home. What's the single most important reason why?
4. What advice do you have for women who want to relight the passion in their relationship?
5. If you think you're already a great lover, what advice can we offer you to raise the bar?
6. Why is masturbation good for you and your relationship?
7. Why should couples stay sexual during pregnancy? (The answer may surprise you!)
8. What tempted you to write a book for straight guys?
9. What are the bigger health concerns that may be lurking behind sexual difficulties like erectile dysfunction, or painful intercourse and what can people do to prevent them?
10. How do you talk to your doctor about sexual concerns?

...but don't take our word for it.

"Listen up guys! Like Pandora, these ladies have lifted the lid and nothing's secret any more. Here are the answers to what Sigmund Freud called the "great question that has never been answered: What does a woman want?"

"Who are they, you ask, to be writing such a book? Let's face it. Lesbians sharing their wisdom with straight men about what women really need to unleash their own passion makes perfect sense. More importantly, Joni and Esther know what they're talking about."

"With a kind of scrappy elegance and the science (as well as the how-to tips to back it up), they tackle both the annoying little setbacks and the overwhelming crises that can crop up in any sexual relationship. Who could resist?"

"Think of this book as a down-to-earth, common sense owner's manual on how to get under the hood and fine-tune the engines of feminine passion. Isn't it time to resolve those romantic and sexual quandaries in your day-to-day existence? From the kitchen to the bedroom, the authors cover virtually every conceivable embarrassing, awkward, tragic or downright dangerous situation confronting any couple just trying to get through married life with their dignity, passion, and joy intact."

"Too good to be true? Buy HER a copy and see what she thinks!"

"For men or women, for anyone who loves a woman, this is a treasure of a book."

Sharon Turnbull, Ph.D.

Author of *Goddess Gift: Discover your Personal Goddess Type*
www.goddessgift.com

"What a thoroughly enjoyable and enlightening book. Chock full of extremely useful tips on technique, Joni and Esther have utilized their unique perspective and intimate understanding of what women want and created a veritable feast of information on how to achieve a mutually-satisfying sexual relationship with the woman who shares your bed."

David M. Matthews

Author of *Every Man Sees You Naked*

"Listen up guys! This book can teach you the way to her heart—and how to unleash her wild woman."

Gina Ogden Ph.D.

Author of *The Return of Desire: A Guide to Rediscovering Your Sexual Passion.*

"In this wonderful book, Esther and Dr. Joni not only tell us how to keep sex fun, but also show us that intimacy goes beyond genders. Whether you're straight, lesbian, gay, or bisexual, what makes the intimate connection is caring, attentiveness, and the will to keep each other's passion alive. We may first be attracted to our partner's physique, but attentiveness to each other's needs and pleasures is the secret ingredient to Love Her Right. I recommend it for men and women who want to keep their passion alive."

Jim Bierman, Ph.D.

Author of *Of Sound Mind to Marry: A Reality Check from the Marriage Counselor for Pre-Weds*

"At last, the missing manual for your woman's body, as well as her heart and soul. Dr. Joni and Esther show you how to shake up a chemical cocktail in order to connect more deeply on every level. You get the science, you get the vocabulary, and you get the, um, hands-on tips. Learn to be her intimate, erotic friend -and love the benefits!"

Susan Kuchinskas

Author of *The Chemistry of Connection*
